## THE WILMINGTON PLAYERS.

An Excellent Program Presented at  
The Academy Last Night.

It was home talent that graced the  
stage at the academy of music last  
night. The audience who gathered to  
encourage the Wilmington players was  
not large, but was composed principally  
of the elite of the city. Many a  
maiden went out to see her eastern  
cousin's amateur stage antics, and the  
cut of her dress, but as for a dramatic  
treat—that was hardly thought of, such  
is the disparagement in which home  
talent is generally held, you know.

But the Wilmington Paint and Por-  
celain Club soon undeceived the crowd.  
There are some excellent players in  
the troupe and the audience were  
quickly surprised, delighted, and  
finally enraptured by a most excellent  
performance.

The curtain rose upon a thrilling  
one-act French tragedy. The costumes  
were gorgeously beautiful, and the  
play very ably presented.  
But the great success of the company  
is effected in their farcical comedy in  
three acts, which follows the one act  
of the tragedy. Miss Hattie Taylor,  
who takes the leading part, is a young  
lady of remarkable beauty and genius  
and she was enthusiastically applauded.  
Mr. W. F. Robertson also has  
historical talent of a high order. In  
fact, the whole cast is strong, and the  
performance was eminently creditable.

## A PLEASANT AFTERNOON.

Miss Lottie Peyton Treats The Bach-  
elor Girls to a Hack Ride.

The Bachelor Girls yesterday after-  
noon were the guests of Miss Lottie  
Peyton and the meeting was voted one  
of the most enjoyable in the history of  
the club. Instead of the usual recep-  
tion the hostess treated the club to a  
delightful drive of an hour and a half  
taking in Summit avenue and all the  
more prominent streets of the city.  
The Bachelors rode in a large hack  
drawn by four of Vanstony's most  
beautiful and stylish steeds. All the  
young ladies were dressed in white  
and altogether, it was one of the most  
beautiful turnouts that has appeared  
on the streets of the "City of Flowers"  
in many a day. The jolly ride ended  
at 6:30 o'clock, at Fariss' drugstore  
where the young ladies were treated  
by their hostess to refreshing drinks.

## NEW OFFICE BUILDING.

To Be Erected Opposite Court House  
on North Elm.

Contractor A. F. Brooks will begin  
Monday to tear down the old frame  
building on North Elm street, in which  
are the offices of Squibb, Pritchett and  
Eckle, preparatory to erecting an office  
building on the site for Mr. C. G.  
Wright. The building to be torn down  
is said to be the oldest, or one of the  
oldest, in the city. The father of the  
late Judge Dick once occupied an office  
in part of the building, which was  
torn away several years ago, and a  
number of other prominent lawyers  
have had offices in the old structure.  
The new building will be of brick,  
two stories high, and will contain a  
number of modern offices.

While the new building is in course  
of construction Squibb, Pritchett and  
Eckle will have offices in the small  
building, formerly used as a residence,  
in front of Neece's marble yard on  
East Seymour street. They expect to  
move into the new building when it is  
completed.

## DEAL CLOSED YESTERDAY.

Hunter Pitt and Commission Co.  
To More Than Double Its Capacity.

The Hunter Pitt Manufacturing and Com-  
mission Company, than which there  
are few larger or more substantial  
manufacturing companies in Green-  
sboro, yesterday closed a deal whereby  
the entire plant of the Granite City  
Manufacturing Company, of Elberton,  
Ga., becomes their property. The  
plant includes a complete electric light  
plant and after the new machinery is  
installed the building will be lighted  
by electricity. The company expects  
to more than double their capacity  
within the next thirty or sixty days.  
The machinery purchased yesterday  
is comparatively new and the Hunter  
Company is fortunate in securing it as  
the demand for their goods is such  
that a new plant would have been nec-  
essitated soon. They have been try-  
ing to purchase the Elberton plant for  
some time but had not succeeded until  
yesterday when the deal was closed.  
The Telegram congratulates them and  
hopes that the demand for their goods  
will continue to increase until their  
plant will have to be re-doubled.

## THEY FIGHT AND RUN AWAY

Filipinos Continue To Skirmish  
With The Americans.

## A FEW OF OUR BOYS WOUNDED.

After Two Hours of Fighting the  
Rebels Retire, Leaving Twelve  
Killed on the Field.

By Cable to THE TELEGRAM.

Manila, April 21—A force of two  
hundred rebels yesterday afternoon  
attacked the outposts of the Washing-  
ton regiment near Tanguig. Two com-  
panies immediately engaged the ene-  
my, who advanced into the open in  
skirmish order. The rebels were  
checked and routed after two hours'  
fighting, leaving twelve killed on the  
field and several wounded. Many  
Mauers and other weapons were cap-  
tured. Three Americans were wound-  
ed. FIVE HUNDRED REBELS ENCOUNTERED  
Manila, April 21 (afternoon).—This  
morning three companies of South  
Dakota troops in conjunction with  
three companies of Minnesotans march-  
ing from Bacoac encountered, two  
miles out, five hundred insurgents. The  
Filipinos retired for three miles in  
fairly good order, despite heavy losses.  
The Americans, exhausting their  
ammunition, returned to camp.

NINTH IMMUNES TO RETURN.

Washington, April 21—Orders have  
been issued for the Ninth Immunes to  
return to the United States on the  
steamer Meade to be mustered out at  
Camp Mead, Pa. The Fifth Immunes  
will return on the steamer Thomas to  
be mustered out at the same camp.

## BOLD ROBBERS.

Two Men Assaulted and Robbed on a  
Freight Train.

By Wire to THE TELEGRAM.

Poughkeepsie, N. Y., April 21—Ed-  
ward German, of Pittsburg, Mass., and  
Walter Gilbert, of Melbourne, Aus-  
tralia, were assaulted and robbed last  
night by three tramps on a freight  
train on the Hudson River railroad.  
The train was moving at forty miles  
an hour. Gilbert was stripped of his  
clothing. He broke away and jumped  
from the train near the New Hamburg  
tunnel. His companion ran over the  
roofs of the cars as the train whizzed  
along, and sought refuge upon the lo-  
comotive. The robbers cut the air  
brakes and escaped as the train  
stopped.

## THE PLAGUE AT PARIS.

Three Cases Reported Among Shop  
Employees.

By Cable to THE TELEGRAM.

Paris, April 21—The Froule pub-  
lishes a report of the occurrence of  
three cases of the plague among the  
employees of one of the large shops of  
the city, to which the disease was  
brought by carpets manufactured in  
the east.

The paper demands severe investi-  
gation. The police announce that  
there is no foundation for the report.

## TRANSVAAL GOVERNMENT

Not Invited to Participate in the Dis-  
armament Conference.

By Cable to THE TELEGRAM.

The Hague, April 21—The people of  
the Netherlands are annoyed by the  
fact that the Transvaal government  
was not invited to participate in the  
international disarmament conference.  
The Netherlands government is being  
attacked in consequence. Allegations  
are made that their failure to send an  
invitation to the Boers is due to fear  
of offending England.

## Quay Not Guilty.

By Wire to THE TELEGRAM.

Philadelphia, April 21—After being  
out all night the Quay jury returned a  
verdict of not guilty at 11 o'clock to-  
day. Many ballots were taken.

## QUAY APPOINTED SENATOR.

By Wire to THE TELEGRAM.

Harrisburg, April 21—At noon to-  
day upon hearing that Quay had been  
acquitted, Governor Stone appointed  
him U. S. Senator.

## Postoffice Robbed.

By Wire to THE TELEGRAM.

Hennepin, N. J., April 21—The  
postoffice here was robbed early this  
morning of eight hundred dollars in  
stamps. The safe was dynamited, a  
piece of the door being blown into the  
street. The burglars stole a horse and  
buggy from a livery stable and drove  
to Somerville. They were pur-  
sued to Somerville and escaped on a  
train.

## Declined to Accept.

By Wire to THE TELEGRAM.

Washington, April 21—Ex-Governor  
Lord, of Oregon, today declined the  
tender of the Persian ministry. He  
wished to be minister to Persia.

A man is up-to-day and down to-  
morrow—and a good many succeeding  
days.

## MR. RAPER WINS

A Fellowship in Columbian Univ-  
ersity Worth \$500.

Our people generally will be glad to  
learn of the success of Prof. C. L.  
Raper, recently of Greensboro Female  
College, but now at Columbia Univer-  
sity, New York. The World of the  
19th gives an account of the award of  
twenty-five university fellowships,  
valued at \$500 each, two of which were  
won by North Carolina boys: Charles  
Leo Raper, American History; Hol-  
land Thompson, Political Economy.  
Mr. Thompson is from Concord.

Mr. Raper wins the only fellowship  
in American history and is to be con-  
gratulated. The contest was a great  
one. He has just cause to feel good  
over his success especially in such a  
warm contest, where there were many  
applicants. The fellowship will pay  
\$500 cash and \$85 in fees (same as  
cash).

And in this there is cause for the  
Old North State to feel a sense of  
pride. Raper and Thompson have  
done credit to her in winning two out  
of twenty-five fellowships in a Uni-  
versity composed of students from all  
over the union and where nearly every  
state outranks this in point of num-  
bers present. This should inspire hope  
in the breast of every friend of edu-  
cation and instill there a greater deter-  
mination that the old state shall  
move up in the educational column.

## MR. J. J. THORNTON DEAD.

Died at 3 o'clock This Morning in  
Baltimore.

Mr. John J. Thornton, of this city,  
died at 3 o'clock this morning at  
Johns-Hopkins Hospital, Baltimore,  
where he has been under treatment for  
the past three weeks. His wife and  
son Frank were with him when he died.  
Mr. Thornton was 59 years  
old and had been sick for about a  
year. He was suffering from a com-  
plication of diseases and had spent  
several weeks in the hospital from  
time to time, but his health was un-  
improved. Deceased had been a resident  
of Greensboro for about sixteen years  
and had many warm friends. He leaves  
a wife and several children, all grown,  
to mourn his loss. He was a member  
of the Knights of Pythias and Knights  
Templar.

The remains will arrive on the ves-  
tibule this evening and will be taken  
to the home on Asheboro street. No  
funeral arrangements will be made  
until relatives from a distance can be  
heard from.

## E. L. AND S. S. CONFERENCE.

Fourth Annual Session Convenes  
Here The 27th of April.

The Epworth League and Sunday  
School Conference, of the Western  
North Carolina Conference, will hold  
its fourth annual meeting in this city  
April 27th to 30th. The names of more  
than two hundred delegates have been  
received and one of the largest gather-  
ings since the conference was organ-  
ized, is expected. The session will be  
held in West Market street church,  
opening Thursday night with an ad-  
dress of welcome by Prof. P. P. Clax-  
ton. Rev. T. E. Marr will respond  
after which there will be a reception.  
During the meeting the doors of the  
church will be thrown open to the  
general public. The program arranged  
will be both interesting and instructive  
and the meeting besides being the  
largest will be one of the most suc-  
cessful. The entire program will be  
printed in the Telegram later.

## Nesting at Baptist Church.

The Baptist Church was well filled  
last night, and the interest was deep  
and attention profound. Two ques-  
tions were solemnly pressed on the  
hearers. First, "What shall I do with  
Jesus?" and second, "What shall  
Jesus do with me?" He told the un-  
saved that there was no evading the  
first question; it must be answered.  
Jesus was before them and must be  
disposed of. Upon their disposition of  
Jesus depended His disposition of  
them. To accept Christ here meant  
to accept Him at the judgment of  
God. To reject Christ here meant  
their eternal rejection hereafter. At  
the close of this intensely practical  
and pointed sermon a number of young  
people declared to accept Christ.

Mr. Love preaches his last sermon  
tonight. It is not too much to say  
that a series of stronger, sounder ser-  
mons was never preached from the  
pulpit of the Washington Street church.  
The fundamental doctrines of grace  
were simply, clearly and forcibly pre-  
sented. The whole truth was preached.  
The mercy and justice of God were  
both held up as incentives for believ-  
ing on Christ. Sinners were converted  
and saints greatly edified by the meet-  
ings.

Mr. Love goes away with the best  
wishes and prayers of all who heard  
him. He has impressed himself on  
the community as a man filled with  
the spirit of God, and a heart overflowing  
with love to man. Heaven's blessings  
on this earnest man of God.

## THOMAS B. REED RETIRES.

Event to Precipitate a Lively  
Speakership Contest.

## SOUTHERN RADS ARE NOT IN IT.

But Representative Brainlow May Be  
Given a Complimentary Vote in  
The Republican Caucus.

Special to THE TELEGRAM.

Washington, D. C., April 20—The  
defeat of Senator Pasco, of Florida,  
for re-election was received in Wash-  
ington with much regret. The Senator  
has been one of the most conscientious  
members of the upper body of Con-  
gress, and has been constant in look-  
ing after the interests of his state.  
During the session just closed he was  
zealous at all times in securing legis-  
lation of interest, not only to Florida,  
but to the Southern section of the  
country. As a member of the Senate  
committee on commerce he was instru-  
mental in securing many items of im-  
portance to the state of Florida, and  
to the Union, in the River and Harbor  
bill, including a large appropriation  
for the improvement of St. John's bar,  
near Jacksonville, and an appropriation  
for the removal of the water hyacinths  
from the rivers and streams of the  
state, which have always been a  
serious hindrance to navigation in  
Florida. Senator Pasco, as a man,  
is personally popular, and while in  
Washington during his six years term  
made many friends who will regret his  
retirement.

Senator-Elect Talliaferro, who suc-  
ceeds Senator Pasco, although never  
in public life in Washington, is well  
known in this section, having been a  
frequent visitor here. He is a native  
of this section, having been born at  
Orange Court House, Va., September  
30, 1847, and spent most of his boy-  
hood days there. He comes from that  
branch of the Talliaferro family which  
is now among the best known in Vir-  
ginia. James P. Talliaferro, the new  
senator, served in the Confederate  
army, and after the close of the war  
removed to Jacksonville, and engaged  
in the logging and sawmill business.

In 1871 he married Miss Jessie Har-  
dy, of Norfolk, Va. He is now pres-  
ident of the Tampa, Fla., National  
Bank, and vice-president of one of  
the leading wholesale grocery houses  
in Florida.

The treasury department has sent an  
agent to Winston, North Carolina, for  
the purpose of examining into the sites  
offered for the new public building to  
be erected there, and selecting the best  
site offered. Bids for the site were  
opened at the department this week,  
and several were offered at figures which  
come within the limit fixed by the de-  
partment, and the department will have  
a number to select from.

Dr. Joseph N. Guerard, who was  
married Wednesday at Woodstock,  
Virginia, to Miss Julia Allen, was in  
Washington with his bride yesterday  
morning. The couple will visit Balti-  
more and Pittsburgh, and will make  
their future home at Savannah, Ga.  
Dr. Guerard is a resident of Savan-  
nah, and will in a short time receive  
his diploma from the Maryland Uni-  
versity. His bride was formerly a  
trained nurse in the Maryland Uni-  
versity. She is a daughter of the late H.  
C. Allen, United States Attorney for  
the western district of Virginia during  
the administration of President Mc-  
Kinley.

The retirement of Speaker Reed from  
congress will precipitate a lively speak-  
ership contest. It is thought that the  
contest will eventually narrow down  
to Hopkins, of Illinois, and Sherman,  
of New York. There is much doubt as  
to how the southern republicans will  
vote, but the belief is that most of  
them will support a western candidate  
rather than a New York man. There  
will be only a very few southern re-  
publicans in the next congress, so they  
will not cut any factor in the contest,  
unless the support of the other candi-  
dates should be very close. There is  
some talk among southern republicans  
that Representative Brainlow, of  
Tennessee, may be given a compli-  
mentary vote in the republican caucus.

Mrs. Laura Holderby, of North Car-  
olina, clerk in the geological survey,  
has received a promotion from \$1,000  
to \$1,100 per annum.

Miss Bessie Henderson, daughter of  
Ex-Representative Henderson of North  
Carolina, is visiting friends in this  
city for a few days.

New postoffice has been established  
at Salem, Sampson county, North  
Carolina. The new office is 3 miles  
south of Owensville. Iry A. Parker  
has been commissioned postmaster.  
Alexander T. Herring has been com-  
missioned postmaster at Blake, North  
Carolina.

Thomas M. Dukes has been com-  
missioned postmaster at Dukes, North  
Carolina.

For Sale—That desirable building  
lot adjoining Mrs. Omohundra's  
new residence on Lithia street, near  
State Normal College. Apply to J.  
L. Brookmann at Thacker and Brook-  
mann's store.

ing one of the few life-size statues in  
the State.

## AN EXCELLENT PAPER.

In the April number of that excellent magazine, the Trinity Archive, Rev. G. T. Rowe, the young pastor of Proximity M. E. church, has an especially well-written article on the tobacco habit, entitled "Plugs and Pipes." Mr. Rowe is an unusually bright young man, and his style of writing is most pleasing and vivacious.

He has felt the pleasures of the nicotine habit, become cognizant of its baneful effects upon the human system, firmly resolved to "quit," and "endured the agonies of a permanent separation" from the seductive monster. And he argues against the weed with the common sense of a reformed user and not in the theoretical vein of a rabid anti-tobaccoist who has never felt the exquisite delights afforded by the narcotic.

Hear his masterly tribute paid to the subtle power of the nicotine giant:

"I have read of Alexander at Issus, Tyre, Arbela, and I thought that was fighting; I had followed Napoleon from Austerlitz to Waterloo, and had learned to admire his genius for campaigning; I had stood by Caesar, when he sent back the message, 'veni, vidi, vici,' and thought his generalship as powerful as his brevity, but when I began to break the shackles of giant nicotine, the lights of history dwindled into little skirmishes. Then the Book was plain when it said, 'He that ruleth his own spirit is greater than he that taketh a city.'"

Old man Alger has the most unmitigated gall of any public official that was ever born. He knows that everybody is tired of him, and that even his native state is aching at his persistence in sticking to the office which he has not the ability to fill. Even McKinley is weary of him, and but for a severe case of political gout the president would most probably administer the belated kick. But with the true "insouciance of office" the war secretary refuses to resign.

The word "Dewey" has been incorporated into our language as an adjective—and a very expansive one at that. A dewey welcome may be considered as an occasion upon which a nation lets itself loose. Moreover, our esteemed secretary of war has also kindly furnished us with a very useful adjective: "Algerine" is synonymous with nauseous, etc.

North Carolina's industrial fame is attracting the attention of outsiders these days. She bids fair at no distant day to be in the front ranks of industry. We copy the following from the Norfolk Landmark with pleasure:

In the line of industrial development there are many states that could well take a few lessons from North Carolina at this time.

Outs thinks 80,000 troops necessary for the conquest of the Philippines, instead of 30,000 as was previously stated. And the war department says it will be impossible to land any considerable force on the islands before October. Some idea of the magnitude of the scheme is now apparent.

President William I. Haven, of the American Bible Society, says that over 400 saloons have been opened in Manila since the American troops occupied the city. More thought-food for the religious expansionists.

The arraignment of a great rascal at Philadelphia, and a most eminent knave at New York, is gratifying to all who want to see scoundrels in high places not only kicked out, but punished for their sins.

I was reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the Worcester Enterprise recently, which leads me to write this. I can truthfully say I never used any remedy equal to it for colic and diarrhoea. I have never had to use more than one or two doses to cure the worst case with myself or children. —W. A. Stroud, Popocate City, Md. For sale by C. E. Holton.

## A Card.

In reply to Dr. Ledbetter's card, and in justice to myself, I state the truth, as far as I know it, in regard to the case of George Donnell, confined in the post house. On Saturday morning I was asked by J. Rufus Hughes to visit George Donnell. He stated that Dr. Ledbetter had pronounced it varioloid, which he did not believe correct. He stated that Dr. Ledbetter had refused to let me see the patient. I saw Dr. Ledbetter Saturday, and, although he threw difficulties in the way, he finally agreed I might see Donnell at 3 o'clock p. m., Sunday, provided I would go with him, and should use all sanitary precautions required—to all of which I agreed.

On Sunday I examined the patient in the presence of Dr. Ledbetter. I pronounced it a clear, unmistakable case of chicken-pox, in which, as I understood him, Dr. Ledbetter agreed with me, and said he would not refuse him for three days, through fear of creating a row in Greensboro. On Tuesday I met the Doctor on the street and asked for the patient. I was told he was not doing well, and the Doctor gave me permission to see him, and said not a word about going with him, or using precautions, which, as the case had been pronounced chicken-pox, I supposed the Doctor deemed unnecessary. As I was returning, from a visit to a patient beyond the cemetery, I drove by the post house and looked at the patient, not going within four feet of him and keeping myself so the wind blew from me towards the patient. I understood Dr. Ledbetter to say he agreed with me on Sunday that it was a case of chicken-pox. Mr. Hughes says the doctor told him on Monday that it was chicken-pox. On Tuesday the doctor pronounced it confluent small-pox, a stated to me by Mr. Hughes, and in his candor Thursday he called it varioloid. I have attended several hundred cases of small-pox. I was appointed during the war by the Confederate government expert in small-pox, was seen to decide doubtful cases, and save the South Carolina hospital in Petersburg, Va., a blockade of a month by pronouncing a supposed case of small-pox to be simple chicken-pox.

I entertain the kindest regards for Dr. Ledbetter, but write this to state the truth as I believe it, and to save myself from being arrested and sent to the pest house.

J. G. Brodnax, M. D.  
Greensboro, N. C., April 21, '99.

The above statement as far as it refers to me is entirely correct.

Respectfully, J. R. Hughes.

## "ITS FIRST LYNCHING."

Lawyer Bass Defends the Good Name of Lake City.

Charleston, S. C., April 20.—The Lake City lynching case will go to the jury tomorrow. All arguments except the closing speech of the district attorney, were made today. It is expected that a verdict will be reached during the afternoon. The public looks for a mistrial or acquittal. Former Attorney General Barber made the leading argument for the prosecution today, ripping open the alabaster presented for the defense. Lawyer Bass of Lake City, defended the record of the town, saying this is its first lynching.

## No Cure—No Pay.

That is the way all druggists sell Grove's Tasteless Chill Tonic for Chills and Malaria. It is simply iron and quinine in a tasteless form. Children love it. Adults prefer it to bitter nauseating tonics. Price, 50c.

## LEGAL BATTLE IN DURHAM.

The Big Libel Suit of Gattis vs. Kilgore.

Durham, April 20.—The big libel and damage suit of Rev. T. J. Gattis vs. Dr. J. C. Kilgore, president of Trinity College, Mr. B. N. Duke, Mr. W. R. Odell, and others, is scheduled to come up in Granville superior court at Oxford next week. In this suit Mr. Gattis will ask the jury for damages amounting to something in the neighborhood of \$100,000. The case grew out of the now famous Clark-Kilgore controversy last year. The suit will be fought for all it is worth by both sides, and it will probably be in the court for some time to come.—Special to Morning Post.

## Another Dollar Dinner.

New York, April 20.—The Workingmen's Jeffersonian Dinner, the second of the one-dollar protests against Tammany's ten-dollar feast, was eaten at the Grand Central Palace tonight. William J. Bryan was again the guest of honor, and most of the prominent men at the dinner were silver men. Frank Ferrell, the colored labor leader, whose presence at the Bryan table at the other dinner caused so much distress in Texas, was there again tonight. The attendance was not nearly as large as at the Chicago platform dinner, nor was there so much enthusiasm. Mr. Bryan's speech came last and was well received. He spoke on Jefferson.

### WINE OF CARDUI

#### A LITTLE DOES MUCH.

Boone, Iowa, Dec. 14.

No tongue can tell what I have endured in the past ten years with my monthly sick, nervous, while suffering untold agony, a Sunday called me to my knees and I said, "I want for a bottle, and Oh! what relief." After the first dose I began to feel better and have had no pain since.

MRS. GRACE LAMPHIRE.

### Wine of Cardui

Wine of Cardui not only cures but it acts AT ONCE. Here is a case of ten years' standing, and yet one single dose made the sufferer feel better, and stopped the pain. The Wine goes straight to the seat of the trouble. It acts directly upon the menstrual and genital organs. Its action is not violent, and it does not force a result. It simply gives Nature that little assistance that the sufferer's system lacks. A single disorder in the feminine organs spreads many disorders all over the body, and when the Wine cures the source, all the other ills vanish as a matter of course. A woman can be her own physician and cure herself at home. Local examinations are largely things of the past; the obnoxious custom is no longer necessary. Wine of Cardui is the only perfectly safe and sure vegetable Wine made to-day for the cure of "female troubles".

Druggists sell Large Bottles for \$1.00.

## Woman Beater Arrested.

Officer Weatherly yesterday after-  
noon arrested Emro McConnell, color-  
ed, charged with beating a woman  
near Brown Summit about ten days  
ago. McConnell knew that Constable  
Scott had a warrant for him and had  
succeeded in escaping that officer, who  
finally had Mr. Weatherly to serve  
the warrant. When arrested the negro  
reached for a pair of knuckles which  
were afterward found in his pocket,  
but was prevented from using them.  
Mr. Scott went to Brown Summit to-  
day to arrest two other negroes who  
assisted McConnell in the beating.

## D. BENDHEIM & SONS

220 South Elm Street

Every day the growing  
crowd gives evidence of their  
appreciation of our new idea  
of progressive merchandising  
and we find a most pleasing  
result from our new method.  
Instead of figuring how to  
make the largest profits, we  
find better results from figu-  
ring how to use greater pur-  
chases, and day by day our  
business increases, because in  
creating the outlet we are  
enabled to dispose of larger  
quantities—and in many in-  
stances the manufacturer's  
entire stock in a few days'  
time. We don't mean by  
this that we can give you one  
dollar's worth of goods for  
five cents, but we do mean  
that we often buy such stocks  
at a great sacrifice and we  
give our customers the bene-  
fit. The manufacturers come  
to us because they know that  
no quantity is too large and  
no quality too fine for us to  
handle.

Every table will be laden  
with bright new bargains in  
desirable white goods, wash  
goods, dress goods, silks,  
ribbons, laces, embroideries,  
etc., etc., for this week's  
sale.
